

The Greater Metropolitan
Cemeteries Trust

Lasting memories, peaceful places.

Public notice

Headstone reinstatement project

As part of the ongoing management of Coburg Pine Ridge Cemetery, The Greater Metropolitan Cemeteries Trust (GMCT) will be reinstating approximately 60 historic markers/headstones to their original sites. The reinstatement works will utilise a design which is practical and effective for the historic markers/headstones to lay on, and are due to commence late September 2020.

Before the commencement of the reinstatement works GMCT is urgently seeking contact from the family or descendants for the following individuals buried at Coburg Pine Ridge Cemetery:
