Students must have a cumulative GPA of 2.50 in all college coursework attempted, and a C or better in MTH 173 (WVU MATH 155), CHM 111 (WVU CHEM 115), ENG 101 (WVU ENGL 101), and EGR 120 & 126 (WVU ENGR 101 & 102) to be admitted directly to the Aerospace Engineering program upon transferring to West Virginia University.

Students transferring from LFCC on this articulated pathway will be allowed to take MAE 365 and MAE 475 in the same semester.

The WVU General Education Foundations curriculum (GEF) includes eight areas (F1-F8). F1 (Composition and Rhetoric), F2 (Science & Technology), and F3 (Mathematics & Quantitative Skills) are specified above. These 3 Areas will be fulfilled by General Education requirements at Lord Fairfax. Students must also complete 3 credit hours from each of the GEF Areas 4 through 7, and are encouraged to study the provided GEF chart to select electives that satisfy these requirements. By using the suggested plan of study above, students are able to fulfill GEF Areas 6 and 7 of this requirement prior to graduation from Lord Fairfax. GEF Area 5 is slated to be completed at WVU. Students not completing this requirement at LFCC will need to do so at WVU.

The WVU GEF curriculum also includes 9 credits (normally 3 three-credit courses) of Focus coursework (F8), to help students capitalize on the range and diversity of courses offered at WVU. In order to maximize connections, incorporate additional competencies, and encourage true breadth of study, students must fulfill the Focus through completion of one of the following academic paths: (a) completion of a minor; (b) completion of a double major or dual degree, or (c) completion of 9 credits of additional coursework from the list of courses approved for GEF

Areas F1 through F7. Lord Fairfax students pursuing a degree in Aerospace Engineering will fulfill this requirement upon completion of required Science and Mathematics courses.

Students who have questions about admission into their intended program, GEF requirements, GEF Focus courses, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
