ELECTIVE	3		
TOTAL	15	TOTAL	14

Students must take and pass the PRAXIS Core test prior to starting at WVU.

To be admitted to the College of Education and Human Services, students must have an overall GPA of 2.5.

Students will work with their advisor to ensure completion of a required Area of Emphasis.

Students who wish to complete the CDFS certification track and the Special Education endorsement normally require two and a half years at WVU.

The WVU General Education Foundations curriculum (GEF) includes eight areas (F1-F8). F1 (Composition and Rhetoric), F2 (Science & Technology), and F3 (Mathematics & Quantitative Skills) are specified above. These 3 Areas can be fulfilled by General Education requirements at Pierpont. GEF Areas 4 and 7 will be completed with CDFS 110 and INTR 2200 respectively. GEF Areas 5 and 6 will be completed at WVU.

The WVU GEF curriculum also includes 9 credits (normally 3 three-credit courses) of Focus coursework (F8), to help students capitalize on the range and diversity of courses offered at WVU. In order to maximize connections, incorporate additional competencies, and encourage true breadth of study, students must fulfill the Focus through completion of one of the following academic paths: (a) completion of a minor; (b) completion of a double major or dual degree, or (c) completion of 9 credits of additional coursework from the list of courses approved for GEF Areas F1 through F7. Pierpont students will complete 3 hours of this requirement with completion of SOCY 1100. The remaining 6 hours will be completed at WVU via successful completion of CDFS 112 and SPED 304.

Child Development and Family Studies BS

Students who have questions about admission into their intended program, GEF requirements, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU or the CDFS undergraduate Coordinator.

Students who transfer credit as part of the Early Childhood Practitioner Associate in Applied Science Degree – Occupational Development must complete their Associate degree in order for that course work to be accepted and substituted by WVU.
