The West Virginia University General Education Foundations curriculum (GEF) includes eight areas (F1-F8). F1 (Composition and Rhetoric), F2 (Science & Technology), and F3 (Mathematics & Quantitative Skills) are specified above. These 3 Areas will be fulfilled by General Education requirements at Westmoreland County and ENGL 102 at WVU. Students must also complete 3 credit hours from each of the GEF Areas 4 through 7, and are encouraged to study the provided GEF chart to select electives that satisfy these requirements. Students who do not complete the GEF requirements at the advised time, will be required to complete these courses at WVU, and exceed the minimum number of credit hours outlined.

The WVU GEF curriculum also includes 9 credits (normally 3 three-credit courses) of Focus coursework (F8), to help students capitalize on the range and diversity of courses offered at WVU. In order to maximize connections, incorporate additional competencies, and encourage true breadth of study, students must fulfill the Focus through completion of one of the following academic paths: (a) completion of a minor; (b) completion of a double major or dual degree, or (c) completion of 9 credits of additional coursework from the list of courses approved for GEF Areas F1 through F7. Westmoreland County students are encouraged to utilize ELECTIVE credit, and the GEF spreadsheet, to take courses that complete this requirement at WCCC. WCCC students following this pathway will fulfill 6 of the 9 of this requirement with successful completion of SPC 155 and CPT 150.

For this agreement, the following course substitutions are being allowed:

- CS 101 – AGEE 110
- ECON 201 – ARE 150

- ACCT 201 – ARE 110
- BCOR 320 – ARE 482
- BCOR 350 – ARE 431
- BCOR 370 – ARE 204

BUS 250 (WVU's MATH 150) will be utilized as a Restricted Elective.

BUS 244 (WVU's ECON 225) will be utilized to fulfill the Statistic requirement for the program.

ARE 491's summer internship is one of three options available to complete the Agribusiness Management Capstone requirement. Although it is the most commonly pursued option, students may forgo this summer session and complete the requirement via study abroad or thesis composition. Students are encouraged to work with their advisor to select the option that best suits their academic needs and interests.
