*This General Education class at LHU can be taken during the summer sessions at LHU or may be transferred to LHU from another institution including classes taken at WVU after the transfer,

Students wishing to transfer into the Industrial Engineering program must have a GPA of at least 2.25 in all college work attempted, and a C or better in all MATH courses.

Although transferred as open credit, LHU's MATH 141, 142, 243 and 244 will be utilized to satisfy the MATH 155, 156 and 251 requirements at WVU.

LHU students transferring in with more than 28 credit hours are exempt from the ENGR 199 requirement.

ENGR 101 will be met by an upper division PHYS course, per Statler College transfer policy.

ENGR 102 must be taken as a transient course online in order to avoid any pre-requisite issues.

Completion of LHU's General Education requirements will be applied to WVU's General Education Curriculum areas 3,5,6,7, and 9. Areas 4 and 8 will be satisfied by ECON 201 and 202.

The above transfer articulation of credit between West Virginia University and Lock Haven University, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
