Students must complete SOC 200 and 211 with a grade of C or better to be directly admitted into the Criminology Program upon transferring to West Virginia University.

Depending a student's placement and/or choice of MTH courses, they will be placed in the appropriate STAT course at WVU based on their advisors recommendation.

The WVU General Education Foundations curriculum (GEF) includes eight areas (F1-F8). F1 (Composition and Rhetoric), F2 (Science & Technology), and F3 (Mathematics & Quantitative Skills) are specified above. Area 3 will be fulfilled by General Education requirements at Northern Virginia, while GEF 1 (ENGL 102) and 2B will need to be completed at West Virginia University. Students must also complete 3 credit hours from each of the GEF Areas 4 through 7, and are encouraged to study the provided GEF chart to select electives that satisfy these requirements. By using the suggested plan of study above, students are able to fulfill this requirement prior to graduation from NOVA. Students not completing this requirement at NOVA, will need to utilize ELECTIVE credit at WVU to do so.

The WVU General Education Foundations (GEF) curriculum designates 9 credits (normally 3 three-credit courses) of Focus coursework to satisfy GEF Area 8. Working with their advisors, students select three additional courses from the list of those approved for the GEF (see <http://registrar.wvu.edu/gef>) to maximize connections, incorporate additional competencies, and encourage true breadth of study. Such courses may lead to a minor or even a second major, and are intended to help students capitalize on the range and diversity of courses offered at WVU. Students who follow this suggested pathway will have to only complete 2 additional GEF courses, as HIS 121 will count as the first of the 3 required.

Students who have questions about admission into their intended program, GEF requirements, GEF Focus courses, minors, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
