The Psychology BA in Morgantown requires a minimum GPA of 2.0 in all Psyc courses and in Stat 211.

* Students who present more than two or more units of high school credit in a foreign language may satisfy this requirement by taking courses 203 and 204 (see Second Year above) and six hours of elective credits. Students who do not have adequate high school credit must take four semesters of study in one language.

** The student must complete all nine GEC requirements before earning a baccalaureate degree. These electives must be taken in different areas in order to make progress towards that goal.
