\*SOCA 101 and PSYC 101 are required by all Business & Economics majors, except for Economics. These courses satisfy GEF Area 4 at WVU. Those students pursuing a degree in Economics are encouraged to take one course designated in the Core Coursework Transfer Agreement that satisfies GEF 4 and the second option between MGMT 2209 & MKTG 2204. Doing so will allow for additional ELECTIVE hours at WVU.

\*\*Students are required to complete between 27-30 hours within the Business majors. Students will work with their advisor to distribute \*\*Free Electives to meet the 120 credit hour graduation requirement.

Students completing this proposed pathway may choose to major within one of the following College of Business and Economics fields:

Accounting; Management; Economics; Finance; General Business; Hospitality & Tourism Management; Management Information Systems; Marketing; Entrepreneurship and Innovation; or Global Supply Chain Management

To be admitted to the College of Business and Economics, students must have an overall GPA of 2.5. To be directly admitted to their desired major, students must also complete the following College of Business and Economics prerequisite courses with a minimum grade of C or better:

Certain degree pathways have additional requirements for admittance:

Accounting requires:

Economics requires:

- One B or higher and one C or higher in ECON 2201 & 2202

Students are required to complete 3 credit hours (one course) from each of the GEF Areas 4 through 7 before successful graduation from West Virginia University. Students taking SOCY 1101 and PSYC 1101 will satisfy GEF Area 4. Students are encouraged to reference the WV HEPC Core Coursework Transfer Agreement course listings to select courses that satisfy the other required areas.

The recommended sequence of courses for the third and fourth years of study may include required major courses in the junior year for some majors and only BCOR courses for other majors. Please refer to the College of Business and Economics website ([be.wvu.edu](http://be.wvu.edu)) for recommended sequences of courses for each undergraduate major.

If you have questions regarding admissions into a program, completion of GEF 4-7, or any other academic related issue, please contact the Office of Undergraduate Education at WVU.
