Students are required to complete 3 credit hours from each of the GEF Areas 4 through 7 before successful graduation from West Virginia University. Students are encouraged to utilize their Humanities requirement at Eastern to complete GEF Area 6. Utilizing the plan of study above, a student will complete GEF Area's 4 & 7 while at Eastern CTC, and will need to complete 5 & 6 at WVU.

The recommended sequence of courses for the third and fourth years of study may include required major courses in the junior year for some majors and only BCOR courses for other majors. Please refer to the College of Business and Economics website (be.wvu.edu) for recommended sequences of courses for each undergraduate major.

If you have questions regarding admission into a program or any other academic issue, please contact the Office of Undergraduate Education at WVU.
