<i>Elementary Education Course*</i>	8	3		
<i>Elementary Education Course*</i>	6	3		
<i>Elementary Education Course*</i>		3		
Elective		3		
Total Credits Required		60		

- * **Elementary Education Course Options:**
CDFS 110, CDFS 112, CDFS 210, CDFS 211, CDFS 212, HLSC 172, SOWK 147, PET 101, PET 167

Students must complete a "volunteer" experience. Please consult advisor or education instructor for information.

WVU Morgantown Elementary Education Program is undergoing some curriculum changes. Therefore, WVU Potomac State College's Elementary Education Program will also experience curriculum changes over academic year 2024-2025. This plan of study represents requirements as they have been approved for fall 2024. Additional curriculum changes will occur through fall 2025. The list of requirements appearing on this advisement sheet is subject to change.

Students planning to transfer to institutions other than WVU Morgantown should consult those transfer institutions for curriculum equivalency. Transfer institution ultimately determines course equivalency. This may include passing scores on the appropriate PRAXIS examination and specified GPA. (Please consult transfer institution as well as program catalog.)
