**BOG TALENT AND CULTURE RULE 3.7  
ANNUAL INCREMENT**

---

**SECTION 1: PURPOSE & SCOPE.**

- 1.1 This Rule outlines the guiding principles for determining annual increment payments (also called “longevity”) for eligible employees of the West Virginia University Board of Governors. Specific eligibility is further defined below.

---

**SECTION 2: GENERAL REQUIREMENTS.**

- 2.1 Every eligible employee, as defined below in Section 3, with at least the minimum statutorily defined or more years of credited West Virginia State service, shall receive an annual increment payment equal to the statutorily defined dollars times the eligible employee’s eligible West Virginia State years of service, without limit.
- 2.2 During the month of July of each fiscal year, the Auditor’s Office shall pay annual increment to all eligible employees in the form of a lump sum payment. All eligible employees on a leave of absence without pay at the time payment is made shall receive any annual increment payment due to them concurrently with all other eligible employees.
- 2.3 The annual increment payment shall be in addition to any across-the-board, cost of living, or percentage salary increases which may be granted in any fiscal year by the Legislature. This shall not be construed to prohibit other increases based on merit, seniority, promotion, or other reason, if funds are available for the other pay increases. The West Virginia University Board of Governors shall first grant the annual increment payment to all eligible employees prior to the consideration of any increases based on merit, seniority, promotion, or other reason.

- 2.4 Only years of service earned while working in an eligible West Virginia State employee position are credited. Prior service with a county school board or political subdivision will not be considered eligible years of service for the purpose of calculating annual increment. Section 3 below further defines “eligible employee” and the years of service calculation for each type of West Virginia State employee. An eligible employee cannot be credited for more years of service than the total number of fiscal years that the eligible employee has performed services for the State of West Virginia.
- 2.5 An employee hired into an eligible employee position shall not receive any credit toward the calculation of annual increment for service earned in a temporary State employee position, including, but not limited to, Mountaineer Temp positions. Any current eligible employee, hired prior to July 1, 2007, who previously received credit for Mountaineer Temp service, shall continue to receive years of service credit for his/her Mountaineer Temp service, so long as his/her employment with West Virginia University is continuous and uninterrupted.
- 2.6 All eligible West Virginia State years of service shall be calculated based on the rules applicable to that type of service. For example: A nine (9) month, 1.00 fulltime equivalent (FTE), Faculty member, who has prior service as a 9 month, 1.00 FTE, Classified Employee, would have their years of service during the time spent in the classified assignment calculated based on the rules applicable to classified service. Thus, the 9 months of service in the classified position **would not** be equal to 12 months of service for the purpose of calculating annual increment.
- 2.7 The eligible employee is responsible for obtaining verification of qualifying service and such service must be verified from each former West Virginia State employer. If an eligible employee subsequently provides verification of qualifying service, the service will be calculated into the eligible employee’s totaled years of service. However, the eligible employee shall not be entitled to any back pay of annual increment for fiscal years prior to the fiscal year in which the obligation to verify service was met by the eligible employee.
- 2.8 Separating eligible employees shall be paid the annual increment on a pro-rata basis for the portion of service rendered by the eligible employee during the current fiscal year of employment, in his/her final paycheck.
- 2.9 Where the eligible employee provided no service during the fiscal year, the eligible employee shall receive no annual increment payment consistent with the provisions of section thirteen, article three, chapter twelve of the West Virginia Code (§12-3-13). However, an eligible employee on leave without pay while receiving temporary total disability benefits, consistent with section four, article five-A, chapter twenty-three of the West Virginia Code (§23-5A-4), or on military service leave or certain types of service in the National Disaster Medical System, consistent with the Uniformed Services Employment and Reemployment Rights Act (“USERRA”), 38 U.S.C. § 4301 et seq., continues to accrue increment pay and service credit while on leave without pay from

West Virginia University, and such payment will be made as appropriate in July following the service year, concurrent with all other eligible employees.

- 2.10 Any eligible employee who transfers from another West Virginia State agency, having received a prorated annual increment payment upon termination of employment, shall be responsible for notifying Talent and Culture of the amount of prorated annual increment received. The eligible employee shall receive his/her annual increment payment concurrently with all other eligible employees, less the amount of prorated annual increment received during that fiscal year.
- 2.11 Any eligible employee overpaid the amount of annual increment entitled to him/her shall be responsible for reimbursing the University for the amount overpaid.
-

For example: An eligible Non-Classified Employee without Faculty rank must work twelve (12) months in order to earn (1) year of credited service. Service in eligible Non-Classified positions without Faculty rank that are less than twelve (12) months, 1.00 FTE will be given pro-rated credit. The pro-rated service credit will be cumulative.

apply to any elected or appointed officer of the State of West Virginia. Conservation Officers, whose salaries are fixed by subpart (c), section one, article seven, chapter twenty of the West Virginia Code [§20-7-1(c)], are eligible for annual increment.

- 3.4.3 Any employee that is excluded from eligibility for annual increment as defined in 3.4.2 above, will not be given any credit toward the calculation of years of service for annual increment, even if the employee is later appointed to another position with the West Virginia University Board of Governors that is eligible to receive annual increment.
