GEF Elective		6	3		
GEF Elective		7	3		
<b>Total Credits Required</b>			<b>60</b>		

\* PSYC 101 is a pre-requisite for PSYC 232, 241, 251, and 281. A C- in PSYC 101 is required for PSYC 203. Students who plan to continue at WVU-Morgantown will need to maintain a minimum 2.0 GPA in all PSYC classes and a 2.0 overall GPA. PSYC 241, 281, and 232 or 251 fulfill PSYC Clusters D-E in Morgantown.

\*\* Students must complete a minimum of twenty-one hours of science coursework in each of three disciplines to obtain a BS degree. There are six disciplines: biology, chemistry, computer science, geology/geography, math/statistics, and physics. Courses used to fulfill this requirement may be used simultaneously to satisfy GEF and or major requirements.
