* WVU-Morgantown B.A. and B.S. in Physics require that the student maintain at least a 2.2 GPA in all PHYS and MATH courses.

** Students planning to earn a BA in Physics are required complete both a 203 and 204 of a foreign language. A foreign language is not required to earn a BS in Physics.

Students who take the foreign language placement test and complete the course they placed into with a grade of B or higher will receive retroactive credit for all courses they tested out of.
