^^Student need to select 1 of the 3 listed options to fulfill the International Studies program's core requirements.

^^Depending on core requirement selection, Social Science Elective may overlap and be replaced by general elective.

Students are required to complete proficiency of 4 semesters worth of the same foreign language to fulfill the Bachelor of Arts requirements at WVU. It is recommended that students begin this requirement at Columbus State Community College through successful completion of Foreign Language courses at the 1101 and 1102 levels. Students who choose not to do so, or wish to complete a foreign language not offered at CSCC, will need to utilize ELECTIVE credit at WVU to do so.

The WVU General Education Foundations curriculum (GEF) includes eight areas (F1-F8). F1 (Composition and Rhetoric), F2 (Science & Technology), and F3 (Mathematics & Quantitative Skills) are specified above. These 3 Areas will be fulfilled by General Education requirements at Columbus State. Students must also complete 3 credit hours from each of the GEF Areas 4 through 7, and are encouraged to study the provided GEF chart to select electives that satisfy these requirements. By using the suggested plan of study above, students are able to fulfill this requirement prior to graduation from Columbus State. Students not completing this requirement at CSCC will need to utilize ELECTIVE credit at WVU to do so.

The WVU GEF curriculum also includes 9 credits (normally 3 three-credit courses) of Focus coursework (F8), to help students capitalize on the range and diversity of courses offered at WVU. In order to maximize connections, incorporate additional competencies, and encourage true breadth of study, students must fulfill the Focus through completion of one of the following

International Studies BA

academic paths: (a) completion of a minor; (b) completion of a double major or dual degree, or (c) completion of 9 credits of additional coursework from the list of courses approved for GEF Areas F1 through F7. Columbus State students are encouraged to utilize ELECTIVE credit, and the GEF spreadsheet, to take courses that complete this requirement at CSCC. Those who do not complete the F8 requirement at CSCC, will need to utilize ELECTIVE credit at WVU to do so.

Students who have questions about admission into their intended program, GEF requirements, GEF Focus, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
