HAZARD ANALYSIS

Raw Materials / Supply / Process Step

chicken meat from our new supplier

Identified Hazards

Biological

Kindly Specify: Biological Hazard

This is the new supplier with a very competitive price point compared to our older more established suppliers of chicken meat.

RISK ASSESSMENT

Risk rating

Consequence

Major Injuries

Likelihood

Highly Unlikely

Risk rating

Medium

Controls

Select control measures

Administrative Controls

Is this a significant hazard?

Yes

CONTROLLED

Prerequisite Programs

Regular checks for quality of every batch of delivery to ensure safety.

Process Steps

Extra vigilant with the routine checks that had been working with our more established suppliers to ensure that our new supplier's deliveries are at par.

HAZARD ANALYSIS

Raw Materials / Supply / Process Step

imported strawberries

Identified Hazards

Physical

Kindly Specify: Physical Hazard

needles or any sharp object small enough to be inserted in produce

RISK ASSESSMENT

Risk rating

Consequence

Fatality

Likelihood

Highly Unlikely

Risk rating

Medium

Controls

Select control measures

Engineering Controls

Is this a significant hazard?

No

CONTROLLED

Prerequisite Programs

Need to install metal detectors and have all produce /supplies go through it.

Process Steps

Include the extra step of having ALL supplies go through the metal detectors after the normal visual check. We dont want to be unprepared after something like this happened overseas and it likely gave people ideas. If it happened to strawberries, it can happen to other produce.
