Photo of hazard (optional)

Risk rating

High

Select control measures (include notes)

Administrative Controls

Recommended corrective actions for this hazard

To do | Assignee: SafetyCulture Staff | Priority: Low | Due: 14 Sep 2023 23:51 PST | Created by: SafetyCulture Staff

Ensure operator receives proper training on load handling.

Completion

Recommendations

- Administer recommended controls identified in this report.
- Prioritize the rollout of an introductory training program for forklift drivers.
