5 flagged, 3 actions

Flagged items

5 flagged, 3 actions

ESG Checklist / Environmental Factors Assessment

Is there an attempt to limit, reduce, or completely eradicate harmful waste?

No

While the proper waste bins are used, they're usually not closed properly, thus creating more waste and allowing bacteria to fester

Photo 1

To do | Priority: High | Due: 26.08.2022 08:38 PST | Created by: SafetyCulture Staff

Coordinate with waste management team

ESG Checklist / Environmental Factors Assessment

Are all forms of wastes properly disposed of?

No

ESG Checklist / Environmental Factors Assessment

Are the waste recycling processes followed?

No

The improper disposing of trash makes it hard to recycle

ESG Checklist / Governance Factors Assessment

Does the company regularly disclose reports on expenditures, company initiatives, and other related tasks to employees and other stakeholders?

No

To do | Priority: Medium | Due: 26.08.2022 08:47 PST | Created by: SafetyCulture Staff

Be more active in disclosing reports. Post last quarter's reports ASAP.
