Check function of regulator.	7 / 8 (87.5%)
Push the buttons on the side of the regulator to ensure that the regulator is shut off.	<input type="checkbox"/>
Close bypass valve.	<input checked="" type="checkbox"/>
Open the cylinder valve.	<input checked="" type="checkbox"/>
Check for LED lights on both sides of the HUD.	<input checked="" type="checkbox"/>
Attach the regulator to the face piece.	<input checked="" type="checkbox"/>
Don face piece and inhale.	<input checked="" type="checkbox"/>
Ensure that the speaker is working.	<input checked="" type="checkbox"/>
Push the regulator release buttons and ensure the air flow stops.	<input checked="" type="checkbox"/>
Check function of the control module, power module, HUD, and low pressure warning device.	14 / 15 (93.33%)
Ensure that all lights are flashing green.	<input checked="" type="checkbox"/>
Ensure that the pressure gauge and LCD display are within 200 psi of the cylinder gauge.	<input checked="" type="checkbox"/>
Test the PASS system.	<input checked="" type="checkbox"/>
Allow the control module to remain motionless for 20 seconds.	<input checked="" type="checkbox"/>
Verify that the buddy lights and HUD lights are flashing red.	<input checked="" type="checkbox"/>
Reset the PASS by pressing the green button twice within one seconds.	<input checked="" type="checkbox"/>

Close the cylinder valve fully.	<input checked="" type="checkbox"/>
Slowly open the bypass valve.	<input checked="" type="checkbox"/>
Ensure that the low pressure alarm goes off at approximately 1575 psi.	<input checked="" type="checkbox"/>
Flashing red LED must be displayed on the HUD.	<input checked="" type="checkbox"/>
Low pressure warning bell must sound.	<input type="checkbox"/>
All buddy lights must be flashing red.	<input checked="" type="checkbox"/>
Pneumatic light must illuminate.	<input checked="" type="checkbox"/>
Close bypass valve and reset regulator.	<input checked="" type="checkbox"/>
Loosen all straps and return to service.	<input checked="" type="checkbox"/>
The information above is true for the following packs.	4 / 5 (80%)
2711 A	<input checked="" type="checkbox"/>
2711 B	<input checked="" type="checkbox"/>
2711 C	<input type="checkbox"/>
Damage to the straps	
2711 D	<input checked="" type="checkbox"/>
RIT 2711	<input checked="" type="checkbox"/>
List any SCBAs that are not operational.
