

2026 EREF Charitable Auction - Jun 09, 2026

Lot #	Details	Lot #	Details
1	<p>Quantity of (100) EcoCarts 96 Gal Roll-Out Carts</p> <p>S/N: Not Available C/W: Cascade's EcoCart is the world's first cart made from recycled plastic picked up at the curb. Using a closed-loop system, we pull hard-to-recycle plastic right out of your recycling program and put it into our EcoCart. Winner has the option to customize their carts by selecting from any of our standard EcoCart color options and creating a custom hot-stamp for the sides of the cart. Usage: Not Available</p> <p>Notes: Donated by Cascade Cart Solutions - Shipping IS included. Personalized hot stamp is included. Carts are located in Grand Rapids, MI. Final shipping destination MUST be confined to the 48 contiguous United States. Asset located in: Washington, DC, USA</p>	4	<p>Quantity of (10) Bridgestone M870 315/80R22.5 20 ply Tires</p> <p>S/N: Not Available C/W: The Bridgestone M870 is the standard in the refuse industry. Designed with high scrub environments in mind, the M870 delivers long wear, excellent durability and a carrying capacity up to 10,000lbs per tire. Usage: Not Available</p> <p>Notes: Donated by Bridgestone Americas - Labor is NOT included. Shipping IS included. Final shipping destination MUST be confined to the 48 contiguous United States. Asset located in: Washington, DC, USA</p>
2	<p>Quantity of (10) Michelin XZUS2 LRL High Scrub 315/80R22.5 Tires</p> <p>S/N: Not Available C/W: Next-generation all-position tire with high carrying capacity designed for exceptional tread life in high scrub urban applications such as waste vehicles. Usage: Not Available</p> <p>Notes: Donated by Michelin North America - Mounting is NOT included. Shipping IS included. Final shipping destination MUST be confined to the 48 contiguous United States. Asset located in: Washington, DC, USA</p>	5	<p>Quantity of (100) Rehrig Pacific 95 Gal Roll-Out Carts</p> <p>S/N: Not Available C/W: Rehrig Pacific has been a trusted supplier for over 100 years and is now the leading supplier of roll-out carts in the industry. Designed with the complete product life-cycle in mind, the EnviroGuard 95-gallon EG Cart is constructed from high-quality, UV-stabilized high-density polyethylene (HDPE) resin. Its sustainable features include being made from over 40% recycled material, including 30% curbside Bulky Rigid plastics, and is 100% recyclable at the end of life. When fully loaded, it continues to roll and maneuver with ease. Its advanced design provides a high strength-to-weight ratio, and the non-penetrating grab bar prevents leaking and reduces material snags. Usage: Not Available</p> <p>Notes: Donated by Rehrig Pacific Company - Shipping IS included. Carts ship from one of seven plants, winning bidder's location dependent. Final shipping destination MUST be confined to the 48 contiguous United States. Asset located in: Washington, DC, USA</p>
3	<p>Quantity of (100) Omni 95 Gal Roll-Out Carts</p> <p>S/N: Not Available C/W: IPL is proud to introduce the Omnicart, boasting the most freight-efficient and sustainable solution in the market. Choose between semi or full automated containers. Available in IPL's standard colors: Green, Dark Green, Blue, Charcoal and Black. Standard 10" Plastic snap on wheels. 13	<p>Fire Rover Enforcer60 CAF S/N: Not Available C/W: Fire Rover, the company known for their patented FM Approval Certified Solutions, offers the Enforcer 60, a portable wheeled or SKID-mounted CAF (Compressed Air Foam) system that contains 60 gallons. Fire Rover's Enforcer 60 portable CAFS has a discharge distance of up to 95 feet, allowing for a safe distance between the system operator and the fire or hazard. Designed to deliver exceptional performance. Enforcer 60 portable CAFS is a versatile firefighting tool and is easily adapted to many different risk areas in both indoor and outdoor applications. This unit is perfect for fire professionals to cut the time between arrival at a scene and getting a wetting agent onto the fire. This is a must-have for all MRFs, Transfer Stations, Electronic Recyclers, Scrap Metal, and more. It uses Fire Bull A/B Florine Free Foam to help extinguish, contain, and suppress fire caused by the lithium-ion batteries and other hazards in the waste and recycling streams Usage: Not Available Notes: Donated by Fire Rover - Shipping IS included. Final shipping destination MUST be confined to the 48 contiguous United States. Asset located in: Washington, DC, USA</p>	15	<p>Python FEN-X Remanufactured Automated Side Load Arm S/N: Not Available C/W: Python arm replacement delivers a cost-effective alternative to purchasing a new arm, without sacrificing OEM quality, performance, or reliability. Unlike a basic rebuild, every FEN-X remanufactured arm is completely disassembled, thoroughly inspected, reconstructed by Heil certified technicians, and rebuilt to original factory specifications using genuine Heil OEM components. The result is increased uptime, reduced maintenance costs, dependable long-term performance, and the confidence of a one-year limited factory warranty. Usage: Not Available Notes: Donated by Parts Central - Shipping is NOT included. Item is located in Fort Payne, AL. Final shipping destination MUST be confined to the 48 contiguous United States. Asset located in: Washington, DC, USA</p>
