5.4 NOT APPLICABLE

5.5 The Purchaser acknowledges and agrees that the Real Property being conveyed herein is to be encumbered and burdened by a restrictive covenant. The Purchaser covenants and agrees, as an express condition of the closing of this transaction, to execute a restrictive covenant contained in the deed or transfer, or in a separate document to be registered at the same time as the deed or transfer, to the intent that the burden of such covenant shall run with and bind the Real Property and every part thereof and to the intent that the benefit of such covenant shall be annexed to and run with each and every part of the lands of the Vendor described in Schedule "C" (the "Dominant Lands"). This restrictive covenant shall provide as follows:

6.1 The Purchaser acknowledges that forty-five (45) days prior to the Auction Date, the Vendor has allowed the Purchaser to examine, at the Purchaser's own expense, the title to the Real Property, and to satisfy itself that:

- (a) the title to the Real Property is good and free from all registered restrictions, mortgages, charges, liens, and encumbrances except as otherwise specifically provided in this Agreement and save and except for: (i) any registered restrictions or covenants that run with the Real Property, provided that such have been complied with; (ii) any registered municipal agreements and agreements with publicly regulated utilities, provided that such have been complied with; (iii) any easements and rights-of-way; (iv) any qualifications, reservations, provisos and limitations contained in or imposed by any applicable statute and/or any authority having jurisdiction over the Real Property in the province in which the Real Property is situated; (v) any discrepancies in title or possession which would be disclosed by an up-to-date survey; (vi) any Permitted Encumbrances listed in Schedule "D", provided that such have been complied with; and

6.5 There is no condition, representation or warranty of any kind, express or implied, that the condition of the Real Property shall be appropriate for any particular use, or that the present use by the Vendor or the future intended use by the Purchaser is or will be lawful or

permitted, or that any sketch or survey delivered by the Vendor to the Purchaser is complete or accurate; without limiting the generality of the foregoing, this Agreement shall not be affected by any change in the zoning or use of the Real Property prior to completion. The Vendor shall not apply for any change in zoning after the Auction Date and prior to completion or termination of this transaction, without the Purchaser's prior written approval or consent.

7. ENVIRONMENTAL DUE DILIGENCE

7.1 The Purchaser acknowledges that within forty-five (45) days prior to the Auction Date the Vendor has made available to the Purchaser at the Purchaser's request, subject to the Purchaser agreeing to a confidentiality agreement as provided by the Vendor, a copy of the most recent environmental consultant's report, if any, prepared for the Vendor concerning the environmental condition of the Real Property ("Vendor's Report").

7.2 The Vendor disclaims any and all representations and warranties with respect to the contents of the Vendor's Report and the Vendor's Report shall not be relied upon by the Purchaser and or its successors and assigns for any purpose whatsoever.

7.3 The Purchaser acknowledges that it has been provided the opportunity, subject to the Purchaser agreeing to an access agreement as provided by the Vendor, to conduct an environmental assessment and investigation of the Real Property forty-five (45) days prior to the Auction Date. The Purchaser hereby expressly acknowledges that none of the Vendor, its contractors or consultants or any Vendor Indemnified Party shall be considered as having made any covenant, representation or warranty whatsoever as to the adequacy, appropriateness, accuracy, completeness or other advisability of the actions taken in connection with any prior remedial measures pertaining to the Real Property. The provisions of this Section 7.3 shall apply whether or not the Purchaser conducts its own environmental assessment of the Real Property.

7.4 Nothing herein contained shall be deemed to authorize or permit the Purchaser to request any governmental or municipal inspections of the Real Property.

7.5 The Purchaser for itself, its subsidiaries and affiliates and its and their successors and assigns (the Purchaser and such entities being collectively called the "Purchaser Related Parties"), covenants and agrees to release the Vendor Indemnified Parties, with effect as and from the Closing Date, from each and every Claim whatsoever that the Purchaser Related Parties or any of them may now have or may have hereafter, or howsoever suffer, sustain or incur in regard to, arising out of, or in any way connected with Environmental Matters. The Purchaser for itself and on behalf of the other Purchaser Related Parties further covenants and agrees that, in respect of the Real Property, the Purchaser Related Parties or any of them will not directly or indirectly attempt to compel the Vendor Indemnified Parties to study, investigate, remediate, control, clean up, remove or manage or to pay for the study, investigation, remediation, control, clean up, removal or management of any sludge or any underground petroleum or other substances, material, or waste or any Contaminant, or any constituent element thereof, or seek damages or other remedies therefor.

7.6 The Purchaser warrants, represents, and covenants to the Vendor, with the knowledge that the Vendor will rely upon these warranties and representations in entering into this Agreement and completing its obligations under this Agreement that the Real Property is being sold “as is/where is”, the Purchaser is purchasing the Real Property in an “as is/where is” condition and the Vendor has given no representations, warranties, or covenants with respect to the Real Property, the condition of the Real Property, including, without limitation, the environmental or geotechnical condition thereof or the suitability of the Real Property for any particular use including but not limited to the Purchaser’s intended uses or development thereof

7.7 The Purchaser Related Parties or any of them shall not have or assert and hereby expressly waive any Claim based upon or arising out of or in connection with: (a) any act, representation, statement, neglect or omission by or on behalf of the Vendor Indemnified Parties or any of them; (b) any receipt or review of, or any comment or discussion arising from any report, including without limitation, the Vendor’s Report or other information or other material made available to the Purchaser Related Parties, or any of them, by or on behalf of the Vendor or its environmental consultants concerning any Environmental Matters; (c) any other state, nature, quality or condition in, on, under or near the Real Property; or (d) any other properties affected by Contaminants, substances or wastes now or in the future emanating, migrating or originating from or onto the Real Property including without limitation onto any adjacent roads and or real properties.

7.8 It is understood and agreed that this Article 7 and the covenants of the Purchaser for itself and on behalf of the other Purchaser Related Parties contained herein shall not expire with or be terminated, merged or extinguished by the closing of the transaction of purchase and sale contemplated by this Agreement, and the release herein shall be conclusively deemed to have been made on the Closing Date with the same force and effect as though such release had been made at that time, and the provisions of this Section 7.8 shall survive the closing of this transaction.

8. ACKNOWLEDGEMENTS

8.1 The Purchaser acknowledges that: (i) the Real Property has been used for (among other things) the storage, sale and transfer of petroleum products, other hydrocarbons, or their derivatives and additives and that discharges of such products, other hydrocarbons, derivatives and additives into the soil and/or groundwater may have occurred from time to time in the past; (ii) the Real Property is being sold “as is” and the Purchaser agrees to purchase the Real Property “as is”; (iii) the Vendor has not made, does not make, and shall not be required to provide any warranty or representation with respect either to the condition of the Real Property (environmental or otherwise) or that the Real Property is fit for any particular use, or the Vendor’s Report or other information provided to the Purchaser, or as to the thoroughness or accuracy of the site investigations and other analyses conducted in or for the environmental assessments; and (iv) the Vendor shall have no liability or obligation with respect to any Environmental Matters or, without being limited by the foregoing, any other state, nature, quality or condition in, on, under or near the Real Property, environmental or otherwise, whether or not it is within the knowledge or imputed knowledge of the Vendor, its directors, officers,

employees, agents, representatives or contractors, any and all of which shall on the Closing Date be accepted and assumed by the Purchaser.

8.2 The Purchaser acknowledges and confirms that it is purchasing the Real Property as beneficial owner.

8.3 The Purchaser covenants and agrees:

- (a) to be liable for any Claim; and in addition
- (b) to indemnify and hold each of the Vendor Indemnified Parties completely harmless in respect of any Claim;

whenever and however caused or incurred, and which is directly or indirectly incurred, sustained or suffered by or asserted against any Vendor Indemnified Party relating to, arising out of, resulting from or in any way connected with any Environmental Matters, including, without limitation, the following: any latent defects howsoever caused whether through or attributable to the negligence, wilful misconduct or other actions of the Vendor Indemnified Parties, or any of them and/or any other Person or otherwise; the failure of the Vendor Indemnified Parties, or any of them and/or any other Person to comply with any laws, rules, regulations, ordinances, standards, by-laws, orders (including without limitation Remedial Orders), certificates, permits, approvals, guidelines, policies, consents or directions connected therewith whether existing prior to or arising after the Closing Date; the costs and expense to study, investigate, clean-up, remediate, control, remove, manage or undertake other action relating to the Real Property or any other properties affected by Contaminants, substances or wastes emanating, migrating or originating from or onto the Real Property required by common law and/or as a result of a Remedial Order; compliance with any issued or threatened Remedial Orders. It is understood and agreed that this clause and the covenants of the Purchaser contained herein shall not expire with or be terminated, merged or extinguished by the closing of the transaction of purchase and sale contemplated by this Agreement, and the indemnity herein shall be conclusively deemed to have been made at the Closing Date with the same force and effect as though such indemnity had been made at that time, and the provisions of this clause shall survive the closing of this transaction.

8.4 In the determination of the Purchase Price, the Vendor and Purchaser confirm and agree that past, present and future Environmental Matters have been taken into account in establishing the value of the Real Property and same cannot be separated from the ownership rights in the Real Property and moreover, that such obligations are not capable of quantification as of the date of this Agreement. The Vendor and Purchaser have not attributed a specific or agreed to value with regard to either: (i) such Environmental Matters; or (ii) the indemnities provided for herein, nor shall there be any adjustments made to the consideration pursuant to Article 2 or Article 4. For greater certainty, neither the existence nor amount of any accounting reserve for asset reclamation obligations or similar matters in the financial statements or accounting records of the Vendor or Purchaser, nor any letter of credit or other guarantees put in place by the Purchaser to guarantee in whole or in part the performance of its assumed liabilities have been of any relevance to either the Vendor or Purchaser in determining the value of the Real Property.

9. CLOSING

9.1 Subject to any other provisions contained herein, this Agreement shall be completed on the date specified in Paragraph 7 of the Term Sheet, or at such earlier or later date as the parties may mutually agree in writing (the “Closing Date”).

If the amount of the GST paid by the Purchaser is adjusted as a result of any reassessment by the governmental authority responsible for administering such taxes, then any increase or decrease and any interest or penalties from the reassessment shall be paid by or received by the Purchaser.

The Vendor will collect from the Purchaser any other applicable provincial sales taxes (“PST”). The Purchaser shall indemnify and hold harmless the Vendor from any changes in such taxes resulting from any reassessment, as well as for any related interest or penalties.

15.1.2 Notwithstanding the provisions of Section 15.1.1, in the event that the Purchaser does not provide the Vendor’s Solicitors with evidence that the Purchaser is registered for GST purposes under the Excise Tax Act (Canada) from Canada Revenue Agency on or before the Closing Date, then the Purchaser shall not have any election under Section 15.1.1 and shall comply with the provisions of Section 15.1.1(b) thereof.

15.3 In addition to the Purchaser’s obligations under Sections 15.1.1 and 15.1.2, the Purchaser shall pay and be liable for all transfer taxes and other taxes applicable to or resulting from the transactions contemplated hereby, together with all filing, registration or recording charges or fees payable in connection with the filing or registration of any deeds, transfers of land or other documents executed and delivered hereunder, excluding any income tax payable by the Vendor.

16. MISCELLANEOUS

16.1 This Agreement shall constitute the entire agreement between the parties concerning the transaction contemplated hereby and all prior negotiations, proposals and writings

pertaining to this Agreement or the subject matter hereof are superseded hereby. This Agreement shall not be modified or amended except with the written consent of both the Vendor and the Purchaser and no modification or amendment to this Agreement binds the Vendor or the Purchaser, respectively, unless in writing and executed by it. The Purchaser acknowledges that the Vendor has made no representation, warranty, collateral agreement or condition, whether direct or collateral, or express or implied, which induced the Purchaser to make this Offer or to enter into the Agreement or on which reliance is placed by the Purchaser, or which affects this Agreement or the Real Property other than as expressed herein. After the Acceptance Date and before completion of closing, no conditions, warranties, representations or other agreements concerning the transactions contemplated by this Agreement shall be valid and binding on the Vendor unless in writing and executed by it or the Vendor's Solicitors.

16.4 Time shall in all respects be of the essence hereof, provided that the time for doing or completing of any matter provided for herein may be extended or abridged in accordance with the terms of this Agreement or by an agreement in writing signed by the Vendor and the Purchaser or by their respective solicitors who are hereby expressly appointed in this regard and time shall be of the essence with respect to any such extended or abridged deadline.

16.5 The computation of any time period referred to herein shall exclude the day of the occurrence of the event to which the period relates and shall include the last day of such period. Where the time limited for the doing of anything hereunder expires or falls on a day that is not a Business Day, the time so limited extends to and the thing may be done on the day next following that is a Business Day.

16.6 The Purchaser shall not register this Agreement or any notice thereof against title to the Real Property.

16.7 The Purchaser shall not assign this Offer and the Agreement without the prior written consent of the Vendor, which consent may be withheld by the Vendor in its sole and unfettered discretion or given with conditions. The Vendor may assign or transfer this Offer and the Agreement, in whole or in part, such assignment to take effect upon notice thereof being given to the Purchaser or its solicitors, together with the written assumption by such assignee of all the obligations of the Vendor to the Purchaser hereunder. This Agreement shall enure to the benefit of and be binding upon the Vendor, its successors and assigns and the Purchaser and its successors and permitted assigns.
