First North Bond Disclaimer

Nasdaq First North Bond is an MTF, as defined in EU legislation (as implemented in national law), operated by an exchange within the Nasdaq group. Issuers on Nasdaq First North Bond are not subject to all the same rules as issuers on a regulated main market, as defined in EU legislation (as implemented in national law). Instead they are subject to a less extensive set of rules and regulations. The risk in investing in an issuer on Nasdaq First North Bond may therefore be higher than investing in an issuer on the main market. The Exchange approves the application for admission to trading.

The issue of the Bonds was made in reliance upon one or several exemptions from the prospectus requirements under the Prospectus Regulation. Description of the Bonds

This section contains a general and broad description of the Bonds and is not a comprehensive description of the Bonds. Potential investors should therefore carefully consider this Company Description as a whole before a decision is made to invest in the Bonds. As stated under the section “Important information” above, terms not defined herein shall have the same meaning as in the Terms and Conditions, unless stated otherwise. The Terms and Conditions are available at the Issuer’s web page (<https://www.idun.com/en/investors/>).

Description of the Terms and Conditions

The Bonds constitute direct, general, unconditional, unsubordinated and unsecured obligations of the Issuer and are debt instruments intended for public market trading, which confirm that each Bondholder has a claim against the Issuer. The Net Proceeds of the Initial Bond Issue shall be applied towards, firstly, redemption and/or repurchase and cancellation of the Existing Bonds 2019/2024 in full (including accrued interest and any prepayment premium) and, secondly, general corporate purposes of the Group (including, but not limited to acquisitions and capital expenditures). The Net Proceeds of any Subsequent Bond Issue shall be applied towards general corporate purposes of the Group (including, but not limited to acquisitions and capital expenditures). The First Issue Date for the Bonds was 14 December 2022 and the Final Redemption Date of the Bonds is on 30 September 2027.

The maximum aggregate nominal amount of the Bonds is SEK 500,000,000 represented by Bonds denominated in SEK with ISIN SE0019175720, each with a Nominal Amount of SEK 1,250,000. The total nominal amount of the Initial Bonds is SEK 220,000,000. The minimum permissible investment in connection with the Initial Bond Issue is SEK 1,250,000. All Bonds issued in the Initial Bond Issue are issued on a fully paid basis at an issue price of 100.00 per cent. of the Nominal Amount.

The Bonds have been issued in accordance with Swedish law and are affiliated to the account-based system of Euroclear Sweden AB. This means that the Bonds are registered on behalf of the Bondholders on a securities account (Sw. *VP-konto*). No physical bonds have been or will be issued. Payment of principal, interest and, if applicable, withholding of preliminary tax will be made through Euroclear’s book-entry system.

The Issuer shall redeem all outstanding Bonds at 100.00 per cent. of the Nominal Amount together with accrued but unpaid interest on the Final Redemption Date, unless previously redeemed in accordance with clause 11.3 (*Early voluntary total redemption (call option)*) or clause 11.4 (*Mandatory repurchase due to a Change of*

Control, De-listing or Listing Failure (put option)), or terminated in accordance with clause 15 (*Termination of the Bonds*) in the Terms and Conditions.

Each Group Company may, subject to applicable regulations, at any time and at any price purchase Bonds on the market or in any other way. Any Bonds held by a Group Company may at such Group Company's discretion be retained or sold, but not cancelled, except in connection with a redemption of the Bonds in full or repurchase of all Bonds not already held by the Issuer (see further Clause 11.2 (*Purchase of Bonds by Group Companies*)) of the Terms and Conditions). The Issuer may also, provided that the Existing Bonds 2019/2024 and the Existing Bonds 2022/2026 have been redeemed in full, redeem early all, but not only some, of the Bonds in full on (i) any Business Day falling on or after 30 June 2026 up to (but excluding) the Final Redemption Date, at a price equal to 100.50 per cent. of the Nominal Amount together with accrued but unpaid Interest, or (ii) on any Business Day falling on or after 31 March 2027 up to (but excluding) the Final Redemption Date, at a price equal to the Nominal Amount together with accrued but unpaid Interest, provided that such early redemption is financed in part or in full by way of the Issuer issuing Market Loan(s) (see further Clause 11.3 (*Early voluntary total redemption (call option)*)) of the Terms and Conditions).

Upon a Change of Control, a De-listing or a Listing Failure occurring, each Bondholder shall have the right to request that all or only some of its Bonds are repurchased (whereby the Issuer shall have the obligation to repurchase such Bonds) at a price per Bond equal to 101.00 per cent. of the Nominal Amount together with accrued but unpaid Interest, during a period of fifteen (30) calendar days following a notice from the Issuer of the relevant event (see further Clause 11.4 (*Mandatory repurchase due to a Change of Control, De-listing or a Listing Failure (put option)*)) of the Terms and Conditions).

Payment of the Nominal Amount and/or interest will be made to the person who is registered as a Bondholder on the Record Date prior to the relevant payment date. Payments shall be made in SEK. The right to receive repayment of the principal amount outstanding of the Bonds is time-barred and becomes void ten (10) years from the relevant Redemption Date.

The Bonds bear interest, at a rate of STIBOR (3 months) + 5.50 per cent. *per annum*, from (but excluding) the First Issue Date up to and including the relevant Redemption Date. Any Subsequent Bond will carry interest at a rate of STIBOR (3 months) + 5.50 per cent. *per annum* applied to the Nominal Amount from, but excluding, the Interest Payment Date falling immediately prior to its issuance (or the First Issue Date if there is no such Interest Payment Date) up to and including the relevant Redemption Date.

Interest will be payable quarterly in arrears on 31 March, 30 June, 30 September and 31 December each year (with the first Interest Payment Date on 31 December 2022 (short first interest period) and the last Interest Payment Date being the Final Redemption Date (short last interest period) (or any final Redemption Date prior thereto)) or, to the extent such day is not a Business Day, the Business Day following from an application of the Business Day Convention. The right to receive payment of interest is time-barred and becomes void three years from the relevant due date for payment.

Nordic Trustee & Agency AB (publ), with reg. no. 556882-1879 and address P.O. Box 7329 SE-103 90 Stockholm, Sweden, is acting as agent for the Bondholders in relation to the Bonds, and, if relevant, any other matter within its authority or duty in accordance with the Terms and Conditions.

An agreement was entered into between the Agent and the Issuer prior to the First Issue Date regarding, *inter alia*, the remuneration payable to the Agent. The rights, obligations and the representation of the Agent are set forth in the Terms and Conditions.

Each of the Issuer, the Agent and Bondholder(s) may request that a Bondholders' Meeting is convened (see further Clause 18 (*Bondholders' Meeting*) of the Terms and Conditions) or request a Written Procedure (see further Clause 19 (*Written Procedure*) of the Terms and Conditions). Such Bondholders' Meeting or Written Procedure may, upon votes representing a relevant majority of Bondholders eligible for voting, cause resolutions to be validly passed and binding on all Bondholders.

If the Bonds have been duly declared due and payable due to an Event of Default pursuant to Clause 15 (*Termination of the Bonds*) in the Terms and Conditions, the available funds shall *firstly* be applied towards payment *pro rata* of (i) all unpaid fees, costs, expenses and indemnities payable by the Issuer to the Agent under the Finance Documents (other than any indemnity given for liability against the Bondholders), (ii) other costs, expenses and indemnities relating to the acceleration of the Bonds or the protection of the Bondholders' rights as may have been incurred by the Agent, (iii) any non-reimbursed costs incurred by the Agent for external experts, and (iv) any non-reimbursed costs and expenses incurred by the Agent in relation to a Bondholders' Meeting or a Written Procedure, *secondly* in or towards payment *pro rata* of accrued but unpaid Interest under the Bonds (Interest due on an earlier Interest Payment Date to be paid before any Interest due on a later Interest Payment Date), *thirdly* in or towards payment *pro rata* of any unpaid principal under the Bonds and *fourthly* in or towards payment *pro rata* of any other costs or outstanding amounts unpaid under the Terms and Conditions, including any default interest. Any excess funds shall be paid to the Issuer. The application of proceeds in accordance with the above shall, however, not restrict a Bondholders' Meeting or a

Written Procedure from resolving that accrued Interest (whether overdue or not) shall be reduced without a corresponding reduction of principal.

The Bonds are freely transferrable and trading can occur from their date of issuance. Bondholders may however be subject to purchase or transfer restrictions with regard to the Bonds, as applicable from time to time under local laws to which a Bondholder may be subject (due to, *e.g.*, its nationality, its residency, its registered address or its place(s) for business). Each Bondholder must ensure compliance with local laws and regulations applicable at its own cost and expense. All Bond transfers are subject to the Terms and Conditions and the Terms and Conditions are automatically applicable in relation to all Bond transferees upon completed transfer.

To simplify trading in the Bonds, the Issuer intends to apply for admission to trading of the Bonds on Nasdaq First North Bond Market within four (4) months of the First Issue Date with an intention to complete such admission to trading within thirty (30) calendar days after the First Issue Date. The earliest date for admitting the Bonds to trading on Nasdaq First North Bond Market is expected to be on or about 5 January 2023. The fact that an application regarding admission to trading of the Bonds on Nasdaq First North Bond Market has been submitted does not mean that the application will be approved.

Description of the ranking of the Bonds

The Bonds constitute direct, general, unconditional, unsubordinated and unsecured obligations of the Issuer and shall at all times rank at least *pari passu* with all direct, general, unconditional, unsubordinated and unsecured obligations of the Issuer and without any preference among them, except for obligations mandatorily preferred by law applying to companies generally.

Undertakings

The Terms and Conditions contain a number of undertakings that restrict the ability of the Issuer and other Group Companies, including, among others:

- restrictions on making certain distributions;
- the Issuer shall ensure that the Initial Bonds and any Subsequent Bonds are admitted to trading within four (4) months after the relevant Issue Date;
- restrictions on making any material changes to the general nature of the business carried on by the Group;
- restrictions in relation to incurring Financial Indebtedness;
- restrictions in relation to providing security over present or future assets of the Issuer and other Group Companies;
- restrictions on the disposal of assets, mergers and demergers;
- restrictions on providing loans other than in the ordinary course of business;

- restrictions on dealings with closely related parties;
- obligation to obtain, maintain and comply with the terms and conditions for authorisation; and
- obligation to comply with applicable laws and regulations.

Description of Bondholders' representation and exercise of rights

Nordic Trustee & Agency AB (publ) is the initial Agent. Even without a separate authorisation from the Bondholders and without having to obtain any Bondholder's consent (if not required to do so under the Terms and Conditions), the Agent is entitled to represent the Bondholders in every matter concerning the Bonds and the Finance Documents. The Agent is authorised to act on behalf of the Bondholders whether or not in court or before an executive authority (including any legal or arbitration proceeding relating to the perfection, preservation, protection or enforcement of the Bonds). Each Bondholder shall immediately upon request by the Agent provide the Agent with any such documents, including a written power of attorney (in form and substance to the Agent's satisfaction), as the Agent deems necessary for the purpose of carrying out its duties under the Finance Documents. The Agent is under no obligation to represent a Bondholder which does not comply with such request of the Agent.

Limitations of Bondholders' exercise of rights

In accordance with the Terms and Conditions, the Agent will represent all Bondholders in all matters relating to the Bonds and the Bondholders are prevented from taking actions on their own against the Issuer (unless it is explicitly stated otherwise in the Terms and Conditions). Consequently, individual Bondholders do not have the right to take legal actions to declare any default by claiming any payment from or enforcing any security and may therefore lack effective remedies unless and until a requisite majority of the Bondholders agree to take such action. To enable the Agent to represent Bondholders in court, the Bondholders may have to submit a written power of attorney for legal proceedings. The Agent is under no obligation to represent a Bondholder which does not comply with such request.
