The Customer is required to immediately report any changes to these details to NewMotion through the Portal. NewMotion may assume that these details are accurate until the moment of change.
- 2.5. NewMotion either sends invoices for Subscriptions (including fees for use of Public Charge Points) and Products to the Customer by email or publishes them on the Portal and notifies the Customer of them by means of an email. In the case of Subscriptions (including fees for use of Public Charge Points) the invoiced amount is debited from the bank account given by the Customer by monthly direct debit subject to the applicable SEPA time frames, unless otherwise agreed or if NewMotion wishes to invoice in some other way. The Customer must ensure that the invoiced amount is collectible by direct debit.
