

THE GIX CONSORTIUM

A CORPORATE MEMBERSHIP PROGRAM

The University of Washington's Global Innovation Exchange (GIX), headquartered in Bellevue, Washington, is a unique platform for university-industry collaboration that facilitates project-based, interdisciplinary learning and exchange in technology innovation. The GIX Consortium Program invites leading technology companies to enjoy a special relationship with GIX, offering members unparalleled access to world-class students, faculty, innovation, ideas, events, and visibility.

UNPARALLELED ACCESS TO TOP STUDENTS

- Deep engagement with student teams on member-led initiatives
- Early access to participating students' CVs and profiles
- Customized recruitment activities tailored to each member's hiring needs

IMMERSIVE LAUNCH STUDIO EXPERIENCES

- Unlimited member submissions to GIX's flagship, five-month Launch Studio program
- Exclusive briefings and milestone sessions coordinated by GIX staff
- Ongoing access to top UW faculty engaged with each graduate-student team in the Launch Studio

INNOVATOR-IN-RESIDENCE OPPORTUNITIES

- Up to three executives invited to become GIX Innovators-in-Residence, with drop-in workspace
- Opportunities to influence future innovators through talks, workshops, and teaching in graduate-level courses (as appropriate)

PROTOTYPING LABS & FACILITIES

- Access to GIX's state-of-the-art, hardware/software prototyping equipment and support staff
- Use of on site meeting rooms, collaboration spaces, and event facilities for corporate activities

ADVISORY BOARD MEMBERSHIP

- Appoint up to two executives to serve on GIX's Advisory Board
- Inform GIX strategy, curriculum, and key themes
- Engage with other UW and industry thought leaders

RECOGNITION & VISIBILITY

- Prominent recognition online and on site
- Ongoing presence on GIX's iconic video wall
- External recognition at the GIX Building in Bellevue, WA

One-Year Membership
\$250,000

Sustaining Three-Year Membership
