

IELTS One Skill Retake Terms and Conditions

1. General Acknowledgements

I acknowledge that...

- 1.1. The IELTS test is jointly owned by British Council, IELTS Australia Pty Ltd (ABN 84 008 664 766), which is wholly owned by IDP Education Ltd ('IDP: IELTS Australia') and Cambridge English, part of Cambridge University Press & Assessment), collectively referred to as the IELTS TEST PARTNERS or IELTS PARTNERS.
- 1.2. I will abide by these terms and conditions for the IELTS One Skill Retake test.
- 1.3. All information I submit as part of my online registration submission, to date and in future submissions, is complete, accurate and true.
- 1.4. United Kingdom Visas and Immigration (UKVI) accepts IELTS One Skill Retake for use with UK visa applications.
- 1.5. Before purchasing IELTS One Skill Retake, I am responsible for checking that this test is recognised by the educational institution or any other body I intend to send it to. Also, the IELTS PARTNERS cannot be held responsible if recognition for IELTS One Skill Retake changes between time of purchase and the time I use my score for my individual purposes.
- 1.6. In order to be eligible to register for a One Skill Retake test I must have already taken a full IELTS test and received my result. Only then can I register for an IELTS One Skill Retake linked to a single skill (Speaking or Writing or Listening or Reading) on my original full IELTS test. The results of my One Skill Retake cannot be applied to a test other than the original full IELTS test against which the One Skill Retake is raised.
- 1.7. I must bring a valid passport as proof of my identity with me on test day. This proof of identity must be the same identity document used to register for my original full IELTS test. If I do not bring the same original ID documentation on One Skill Retake test day, then I will not be able to take the One Skill Retake, my test will be cancelled, and I will not be eligible for a refund.

- 1.8. As part of my One Skill Retake registration, I cannot make changes to my personal details which I submitted as part of my application for my original full IELTS test.
- 1.9. I must register and take my One Skill Retake within 55 days of my original full IELTS test date represented by the date I took my original Listening, Reading and Writing test as specified on my original Test Report Form. There are no exceptions to the 55-day rule.
- 1.10. My IELTS One Skill Retake may result in a different score for the single skill I choose to retake. The score for this single skill may go up, down or remain the same as the score I received in my original full IELTS Test on that skill.
- 1.11. My One Skill Retake will also recalculate the overall IELTS score, and this overall score may go up, down or remain the same in relation to the overall score given on my original full IELTS test.
- 1.12. Once I have received the results for my One Skill Retake, I will be issued with an additional Test Report Form a unique Test Report Form number. My original test results and the Test Report Form associated with my previous full IELTS test will remain valid and will also remain available via the online verification service to any Recognising Organisation to which I apply. "Recognising Organisations" means educational institutions, professional bodies and commercial organisations that recognise IELTS scores.
- 1.13. My One Skill Retake test result will remain valid for two years from the date of my original full IELTS test date for Listening, Reading and Writing as specified on my original full IELTS Test Report Form.
- 1.14. A maximum of one skill section can be retaken for each full IELTS test. I cannot request a second One Skill Retake on the same full IELTS test. If I wish to improve my IELTS score in more than one skill, I will need to book another full IELTS test covering all four skills.
- 1.15. Regarding Enquiry on Results, I understand that...
 - 1.15.1. I am able to submit an Enquiry on Results request against my One Skill Retake.
 - 1.15.2. Such an enquiry On Result will only apply to the skill I selected to retake.
 - 1.15.3. If I want to submit an Enquiry on Results against my original full IELTS test, I must do so within two weeks of the date of the original full IELTS test date

for Listening, Reading and Writing, and I must do so before registering for a One Skills Retake against the same full IELTS test.

- 1.16. My One Skill Retake booking or original test result will be cancelled if my original test result for the full IELTS test is withheld or withdrawn and depending on the situation I may or may not be eligible for a refund on my One Skill Retake.
- 1.17. I am able to request special access arrangements for the One Skill Retake even if this request is different to any request made as part of my original full IELTS test. The IELTS PARTNERS will do their best to accommodate all reasonable requests for access arrangements but cannot guarantee it will be possible to do so within the 55 day book and retake window.
- 1.18. Any access arrangements made for my original full IELTS test will not be automatically applied to the One Skill Retake, and I understand that I will need to apply for these access arrangements again as part of the One Skill Retake booking process.
