Part 2 – Individual long turn

Transcript

Examiner: Alright? Remember you have one to two minutes for this, so don't worry if I stop you. I'll tell you when the time is up.

Candidate: OK

Examiner: Can you start speaking now, please?

Candidate: Yes. One of the most important things I have is my piano because I like playing the piano. I got it from my parents to my twelve birthday, so I have it for about nine years, and the reason why it is so important for me is that I can go into another world when I'm playing piano. I can forget what's around me and what ... I can forget my problems and this is sometimes quite good for a few minutes. Or I can play to relax or just, yes to ... to relax and to think of something completely different.

Examiner: Thank you. Would it be easy to replace this, this piano?

Candidate: Yes, I think it wouldn't be that big problem but I like my piano as it is because I have it from my parents, it's some kind unique for me.
