- Go to the MU app and log in using the same details you used to purchase your hospitality.
- Select 'My United' then 'My Tickets'.
- If you are an iPhone user you can now add your tickets to your **Apple wallet**.

### Important notes for Android users

- Make sure your NFC settings are switched ON in your phone Settings.
- Add your tickets to your Google wallet.
- If you are a Samsung user, make sure that your Google wallet is set as your default wallet in Settings > Apps > Default Apps > Tap & Pay.
- If you experience any difficulties, please see our video guides at [manutd.com/apptickets](https://manutd.com/apptickets).

**X** If you see a message on your ticket which says **“This is an NFC ticket”** or **“Turn on NFC”** this means your settings are NOT switched on.
