## MATCHDAY HOSPITALITY

### NFC TICKET INFORMATION

Stadium tickets now use NFC, and there is no QR code. Please ensure you have added your tickets to your mobile wallet before matchday to avoid any delays entering the stadium.

- Go to the MU app and log in using the same details you used to purchase your hospitality.
- Select 'My United' then 'My Tickets'.
- If you are an iPhone user you can now add your tickets to your **Apple wallet**.

### Important notes for Android users

- Make sure your NFC settings are switched ON in your phone Settings.
- Add your tickets to your Google wallet.
- If you are a Samsung user, make sure that your Google wallet is set as your default wallet in Settings > Apps > Default Apps > Tap & Pay.
- If you experience any difficulties, please see our video guides at [manutd.com/apptickets](https://manutd.com/apptickets).

**X** If you see a message on your ticket which says **“This is an NFC ticket”** or **“Turn on NFC”** this means your settings are NOT switched on.

**✓** If you see a contactless NFC icon, your tickets are ready to be scanned on matchday.
