AGENDA FOR THE GBIF REGIONAL WORKSHOP

Biodiversity Information for Development Pacific Workshop and Regional Meeting

Date: 14th – 18th November 2022

Location: SPREP, Apia

Objective: This workshop aims to enhance Consortium Partners' capacity to plan and implement biodiversity data digitisation efforts effectively and according to GBIF standards. There will be a focus on the technical aspects of data mobilisation —including factors related to the data lifecycle: digitisation, management, and online publishing. There will also be a focus on using data to support decision-making, data management, and tools in general.

Facilitators: David Moverley (SPREP ISA), Bradley Myer (Project Manager), David Bloom (Vertnet), Ainsof So'o (SPREP Node manager) and Wayne Asera (PRISMSS ITAO)
