

Solomon Island Visit for to promote Pacific Voting Pariticipation.

The Solomon Ministry of Environment through its Department of Environment Conservation met with SPREP Team to discuss the Voting Participation and GBIF Projects. The Department was presented with the GBIF MOU, Introductory Letter and SOP for endorsement. The Department requested SPREP to conduct a networking lunch, for national stakeholders.

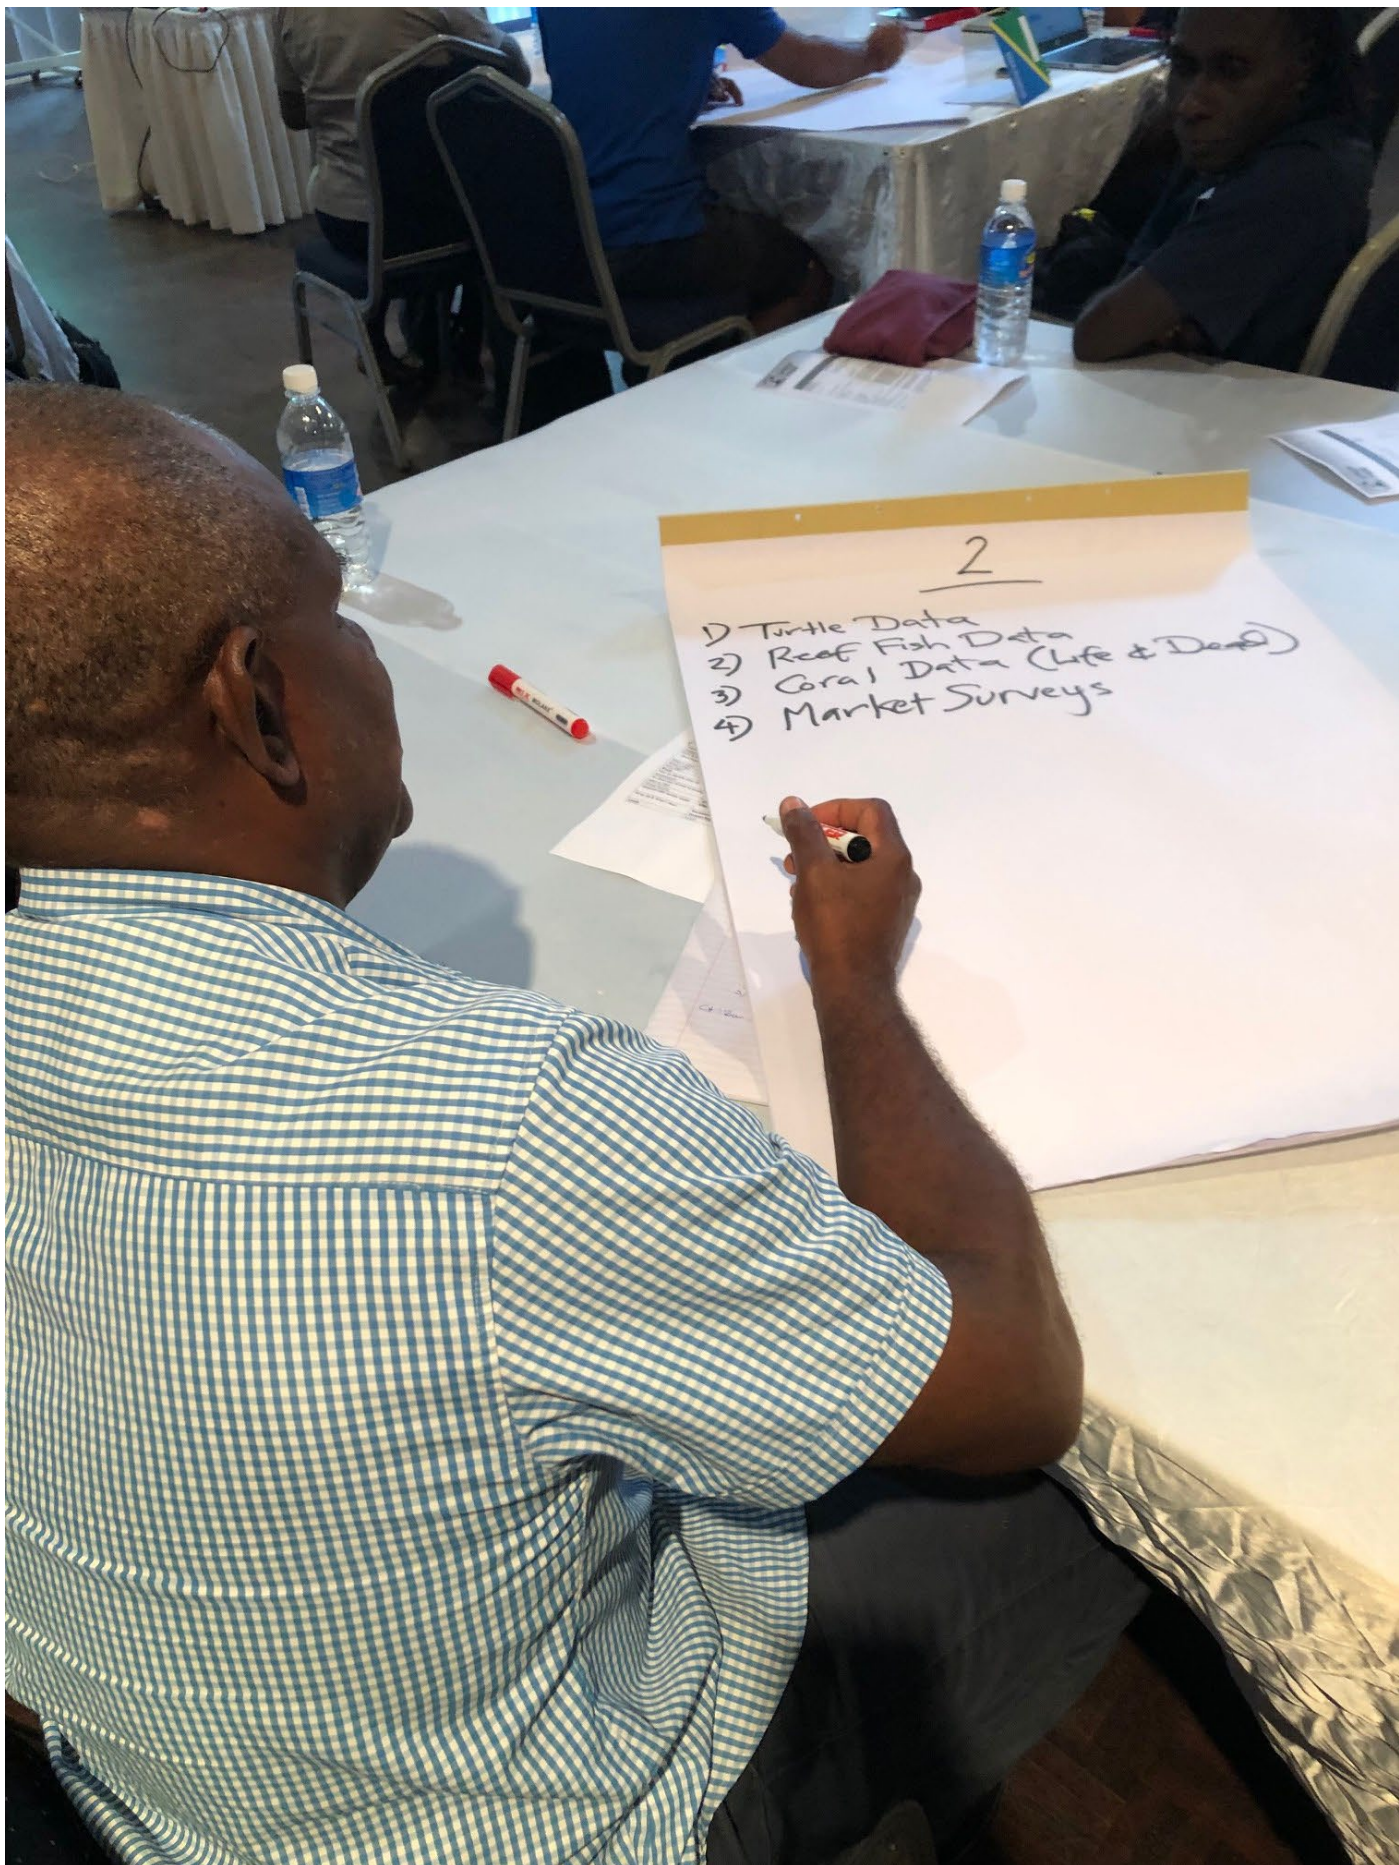

The Networking event was attended by a large number of national partners, which were presented with introduction to GBIF and information resources as well as a brief introduction to data mobilisation and publishing. The following is a table of agenda for the event as well as images.

SPREP

GBIF

Tuvalu and Niue Visit.

Similar to the travel to Solomons Island and Vanuatu to promote Pacific Voting Participation on GBIF, SPREP travelled to Tuvalu and Niue to introduce GBIF Projects and activities. To this date, Niue and Tuvalu have tabled the MOU with Cabinet for review and plans proceed with signing following approval from the review. SPREP continues to work with these partners to progress the MOU signing and increase Pacific participation on GBIF as Voting members.
