GBIF VOLUNTEER MENTORS

67 out of 136 mentors comes from BID-funded countries
All areas of expertise are represented

After the training of the trainer, we could multiply the competence here in Madagascar and that emphasizes the notoriety of GBIF Madagascar

(Rakotomanjaka Andry Jean Marc - GBIF Madagascar)

The links to our GEF funded Connect projects were clearly identified. Our project teams benefitted from the training workshop, and we were able to provide outreach to other regions for our projects and mainstreaming approach.
