It is our great pleasure to welcome you to the International Conference on " World Crypto-Bitcoin,Block chain and Cyber-Security" which will be held from October 30-31, 2020 at Paris,France..

The annual Bit coin and Block Chain Conference is the premier international forum to present and discuss progress in research,development, standards, and applications of the topics related to the Bit Coin and Block Chain- 2020 will offer high quality technical activities, including research sessions, poster sessions, workshops, tutorials, demonstrations, an industry track, a developers track, panels, and a PhD symposium.

Block Chain and Bit Coin forum-2020 will be a great conference for sharing the latest insights of academic and industrial research as well as to experience the unique environment of Florence, a city which has been at the heart of the artistic, cultural, and scientific development since many centuries.

Co-located events include Congress on Sensors, Smart Grid and Internet of Energy, Congress on Advanced Material Science and Smart Materials. BDSIoT-2020 will also be collocated with the International Conference on Bit Coin and Block Chain.

Don't miss this opportunity to be inspired by joining colleagues from all over world to update yourself, to network, to enjoy the exercise opportunities and social events. Save the date, register to receive the newsletter, start preparing your poster abstract and don't forget to tell your colleagues -this is going to be the best celebration ever! We thank you for your participation and look forward to seeing you in Paris,France

Register on or before october 01, 2020 to meet the experts & express your thoughts,

FAITHFULLY,
