**Veterinary Pharmaceutical Industry**

---

**It is our great pleasure to welcome you to the International “Annual Summit and Expo on Veterinary Sciences and Medicine” which will be held on Oct 30-31, 2020 at Paris, France.**

**Euro Veterinary Forum-2020 brings together eminent veterinary ophthalmology, Veterinary Nutritionist, Veterinary Dentist from different countries and exchanges their views through workshops on how to evaluate the medical condition and physical changes of animals. Formulating diets for healthy and sick animals. Providing private consultations with pet or animal owners, and often with general veterinary practitioners.**

**Euro veterinary Forum 2020 will be a great conference for sharing the latest insights of Medical research and balancing food rations for performance-based animals or those in production capacities. Developing special dietary needs for the reduction of or management of diseases or other medical conditions and teaching the biomedical sciences and providing information about veterinary education in disciplines such as microbiology, virology, and molecular biology.**

**Don't miss this opportunity to be inspired by joining colleagues from all over world to update yourself and to enjoy the exercise opportunities and social events. Save the date, register to receive the newsletter, start preparing your poster abstract and don't forget to tell your colleagues – this is going to be the best celebration ever! We thank you for your participation and look forward to seeing you in Paris, France.**

**Co-located events include Congress on Heart, Block chain and Cyber security, Oil and gas.**

**Register On or Before October 01, 2020 to Meet the experts & Express your thoughts.**

**Sincerely,  
STAR Conferences LLC,  
Euro Veterinary Forum 2020.**
