# ABOUT US

STAR Conferences LLC is a non-profitable organization accelerating the dissemination of new research findings among scientists, researchers, industry experts and students through research, education, communication, and collaboration to foster new breakthroughs.

STAR Conferences facilitates a dialogue between the 4-G' (Great Guests Global Gathering) and aims extremely at swapping of ideas, with prominent experts across the globe. Organize extraordinarily planned conferences which comprises of keynote speech, Oral talks, Workshops, Poster presentation, Panel Discussions and Exhibitions, Young Researcher Forums (YRF), B2B Meetings, BestPoster Award, Best Speaker Award, Best Abstract Award and many more.

Runs on The Motto "Our Platform; You Perform" which signifies the utilization of our platform by each individual, who wants to present their research and talk. This is the stage where the sharp minds speak about the research and their each research is like a new lessons to Young Researchers.
