Kenrokuen Area Cultural Zone

A guide to the Art Galleries and Museums

In Edo Period(1603~1867), Kanazawa was a prospering feudal castle town of the Kaga clan. There are still many buildings and cultural assets where the influence of Maeda Family's strong cultural policies is still evident. Surrounding the Kenrokuen Garden, there are many museums where you can get a feel of Kaga's traditional culture. It will give us great pleasure if you come and visit these museums and experience this cultural wealth and cultivate rich aesthetic sentiments.
