

New Connection Request Form (NSW)

This form is for the request of a new electricity connection in New South Wales.

Please note:

- Site Address, Lot and Deposited Plans number are a mandatory requirement for New Connections in the Essential Energy and Endeavour Energy areas.
- National Meter Identifier (NMI) is a mandatory field for an Ausgrid new connection. You can obtain this by filling out a connection application at <https://www.ausgrid.com.au/Connections/Get-connected>

Please complete the form below to enable Powershop to process your request. We strongly suggest that you have this form filled out by your electrician.
