

OJAI MOUNTAIN

## 2023 Mourvèdre

From our 3,000-foot mountain vineyard, this Mourvèdre opens with vibrant aromas of wild strawberries, red cherry, and pomegranate, paired with floral notes of violets and lavender. Subtle spicy-herbal undertones and a touch of cocoa add depth and complexity. The palate is finely structured with silky tannins and bright acidity. The finish is crisp and dry, with lingering purple flowers and minerals. A restrained, high-altitude expression with depth and freshness, built to evolve gracefully over the next decade.
