## 2022 Estate White

The 2022 vintage is a Rhône-style White Blend, led by Grenache Blanc, complemented by 34% Picpoul and 6% Roussanne. This combination offers a robust profile with Grenache Blanc providing bright apple and peach flavors. Picpoul contributes crisp acidity and minerality, while Roussanne adds complexity and a smooth texture. The wine exhibits a balanced acidity with a lingering finish, suitable for both immediate enjoyment and potential aging. It pairs well with diverse cuisines, from seafood to creamy pastas.
