

DRAGON SPOTTING

There are ten known breeds of dragon. Can you name the right dragon from the given clue? Draw a line to match the clue with the dragon, and see if you would make a good dragon handler like Charlie Weasley!

Black scales, yellow eyes

ANTIPODEAN OPALEYE

Metallic grey scales and deep red eyes

CHINESE FIREBALL

Copper-coloured, short horns

COMMON WELSH GREEN

Golden spikes around its face and crimson and gold eggs

HEBRIDEAN BLACK

Purple eyes, bat-like wings and a tail with an arrow-shaped spike

HUNGARIAN HORNTAIL

Looks like a lot like the Hungarian Horntail except with black ridges along its back

NORWEGIAN RIDGEBACK

Silvery-blue in colour, and also breathes blue flame

PERUVIAN VIPERTOOTH

Pearly scales and multi-coloured eyes

ROMANIAN LONGHORN

Green scales and a melodious roar

SWEDISH SHORT-SNOUT

Dark-green scales, long golden horns

UKRAINIAN IRONBELLY
