

KERB DRILL

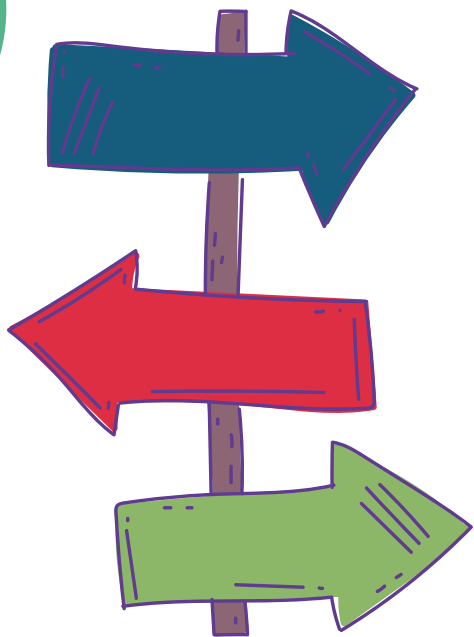

Step Back from the Kerb

Stop one step back from the kerb.

1

2

Look and Listen

Look and listen for traffic coming from all directions,

Wait and Look for Traffic

If there is traffic coming, wait until it has passed and then look and listen for traffic.

3

4

Walk Quickly Across the Road

If there is no traffic coming, walk quickly straight across the road.

Look and Listen While Crossing

While crossing, look and listen for traffic, wherever it may come from.
