

TAKE A PIC WITH YOUR POOCH

Share a photo of you and your dog in the **Stand Up To Cancer Walkies Challenge Facebook Group**. Your photo can be anything you like:

- An action shot from your walk
- A cosy cuddle on the sofa
- Or a moment that perfectly captures your walkies spirit

Our **Facebook group** is a supportive space where amazing fundraisers like you can Stand Up To Cancer together and cheer each other on throughout your challenge.

And here's something exciting: if we spot a photo we absolutely love, we might get in touch to ask if we can feature it in our marketing to inspire even more people to take on the challenge.

Don't forget to also share your photos on your own social media, along with a link to your online Giving Page, to help boost your fundraising.
