

GETTING STARTED

IT'S TIME TO POWER UP TO TAKE CANCER DOWN. FOLLOW THESE SIMPLE STEPS TO SET UP YOUR TILTFY PAGE AND START STREAMING TO SAVE LIVES.

1. GO TO [TILTFY](#)

Visit the Stand Up To Cancer UK Tiltify page and click 'Start fundraising' or 'Donate' if you've already completed your fundraiser.

2. CREATE A TILTFY LOGIN

You can login with Facebook, X or Twitch. If you stream on Twitch, we'd recommend using your Twitch ID.

3. PERSONALISE YOUR CAMPAIGN PAGE

Get creative and update your stream name and description. Let everyone know about your mission to beat cancer and what to expect.

4. CHOOSE YOUR STREAMING PLATFORM

Whether you choose Twitch, YouTube or Facebook – you'll need your Twitch ID, YouTube Channel ID or Facebook video URL.

5. ADD A YOUTUBE LINK

This could be one of your own, or why not let everyone know about the life-saving research you're supporting by using this [Stand Up To Cancer video](#).

6. UPDATE YOUR CAMPAIGN IMAGE

Make your stream stand out by using the tools on [Stand Up To Cancer UK stream team hub](#).

7. ADD A FUNDRAISING TARGET AND MILESTONES

There's no greater motivation than having a goal to work towards. Let your supporters know how much you're aiming to raise and add milestones to highlight your fundraising progress.

8. ADD REWARDS AND POLLS

Incentives and polls are a great way to encourage your community to donate to your campaigns! Visit the [Tiltify support hub](#) for a step-by-step guide on how to set them up.

9. CHECK YOUR DETAILS

Once you've checked your details are all correct, and validated your email, publish your campaign so that you're ready to stream and people can start donating.

10. SPREAD THE WORD

Share your stream details across your social networks using #SU2CUKStreamTeam to let everyone know you're raising money to help accelerate life-saving cancer research.
