What does this Koala Warranty cover?

Our 1 year Koala Warranty for homewares and bedding products covers the replacement or repair of any homewares or bedding product (including a pillow) that has a manufacturing or material defect where:

- the defect **is not** the result of normal wear and tear, or a natural characteristic of the product or a material used in the product; and
- the homewares or bedding product **is** used in the usual course, for its intended purpose and following our recommended care and use information.

This Koala Warranty does not apply to any electrical component that forms part of your homewares or bedding product. We provide a 1 year Koala Warranty for electrical components of our products that you can find at this link: <https://koala.com/en-au/warranty>.

This Koala Warranty:

- is personal to you, the original purchaser;
- cannot be transferred to anyone else; and
- is only applicable while you are resident in Australia.

This Koala Warranty begins on the date that you receive your homewares or bedding product, and continues for 1 year from that date.
