There are two modes of submitting a claim and you can utilize either one of the following -

1. You can file a reimbursement claim directly with ACKO
2. You can file a cashless claim with ACKO or at any of our cashless network hospital providers.

You can view our network hospital list directly in the ACKO app or on the ACKO website, or by calling our customer service number

Note:

- Our network hospital list occasionally changes, so ACKO recommends you check our network hospital link before your hospitalization for the most updated list of hospitals. As

an insurance company, ACKO reserves the right to modify, add or restrict the list of network hospitals where you can avail a cashless policy.

6.1.1 Claims conditions

- For claims, we require you to submit any requested claims document within a set timelines to receive a payout.
- If you do not submit all of your documentation on time, we unfortunately may not be able to pay your claim.
- However, if it was not possible for you to submit the documentation earlier, we will make exceptions to pay your claim to you.
- If you buy a policy from ACKO, you agree to assist our representatives in understanding whether your claim is admissible under the policy you have bought.
- As an ACKO customer, you agree to allow our medical practitioners and ACKO representatives to review your medical and hospitalization records and to investigate facts around your claim.
- There may be cases where we require you to go through a medical examination for confirmation before we pay your claim. ACKO will pay for your medical examination in such cases.

6.1.2 Claim registration

When you decide to go for a hospitalization which you plan to claim for, you or your dependents / nominee must notify ACKO - either directly through our app, email or call centre or through our TPA partners at the hospital cashless desk.

If you are planning a hospitalization, as an ACKO customer, you agree to inform us about the hospitalization ~3 days in advance of the planned hospitalization. If you have to undergo an emergency hospitalization, as an ACKO customer, you agree to inform us about your hospitalization within 48 hours of being admitted, before discharge. In case you delay informing ACKO outside these timelines, ACKO can choose to deny your claim.

When you notify ACKO or our network hospitals that you plan to go for a cashless hospitalization, you will be required to provide ACKO with the following -

- a copy of your policy card (available in the app)
- a photo ID proof
