REEL CHARGES AND RETURNS

Cable reels are charged according to manufacturer's price list.

The Purchaser must primarily return cable reels to the return locations designated by the cable manufacturer. If the return is made to Onninen, Onninen Oy shall effect reimbursement for the reels delivered by it in accordance with its terms and conditions in force on the date of the return.

Reimbursement shall be effected as follows:

If the reel is unbroken/usable **reimbursement 40 %**

If the reel is unusable **reimbursement 0 %**

Unusable reels and disposable reels shall be subject to a disposal fee of **EUR 100/reel** VAT 0%.

The returning party shall pay for the freight to the Onninen branch.

INSURANCE CHARGE

Onninen shall charge to the Purchaser an insurance charge amounting to **0.36 %** of the products' purchase price. In return for the insurance fee, Onninen shall be liable for insuring the transportation in accordance with the delivery terms. Insurance cover in excess of the standard-level transportation insurance shall be agreed upon between the Parties separately, if necessary. When NOL/EXW delivery terms are used, Onninen shall be liable for any negligent damage incurred by the goods when collecting the goods, which the Purchaser's own insurance policy does not cover. Damage not compensated for under the terms and conditions generally offered within the insurance industry shall not be compensated for. The maximum compensation shall be limited to the compensation stipulated under the Finnish Road Haulage Contracts Act, or to the value of the damaged goods, whichever sum is lower.

PRICE ADJUSTMENTS

In the case of any material changes in costs, Onninen Oy reserves the right to adjust reimbursements/charges.
