STEPS

BEFORE YOU BEGIN: Prep those nails! Follow our OPI Lacquer prep basics. Apply one coat of Infinite Shine Gel-like Base Coat and allow to dry.

1

Apply a thin coat of Shimmer Take All to the nail. Allow to dry for 1-2 minutes. Repeat for coverage.

2

Place drops of Never Leavin' Blue, Flamingo Your Own Way, and Lush Hour randomly on the nail. Dip an oval brush in expert touch lacquer remover and gently press into the drops of color, blending the shades to create a marbled effect. Allow to dry for 1-2 minutes.

3

Dip an oval brush in acetone and pick up a small drop of 24/7 Carat marbling it in a vertical line down the nail. Dip the oval brush in acetone and continue to blend until the desired marbling effect is achieved. Allow to dry for 1-2 minutes.

4

Dip a detail brush in Black Onyx and create fine irregular lines for veins. Allow to dry 1-2 minutes.

THE FINISHING TOUCH

Apply a layer of Infinite Shine Gel-like Top Coat. Allow to dry. Apply ProSpa Nail & Cuticle Oil to each cuticle and massage in.
