Star Light Gel Lamp
N.A.S. 99 Cleansing Solution
ProSpa Nail & Cuticle Oil

GelColor shades:
Grape Escape
Leonardo's Model Color

Nail wipes
Silicone mold
Crystal Applicator

THE "NAIL ART" STEPS

BEFORE YOU BEGIN: Prep those nails! Follow our OPI Salon Pro prep basics. Shake all GelColor bottles for 60 seconds to blend ingredients prior to application. Apply one coat of GelColor Super Base Base Coat and cure in the OPI Star Light for 30 seconds.

1

Apply a thin coat of GelColor Grape Escape. Cure for 30 seconds in the OPI Star Light.

2

Apply a second thin coat of Grape Escape to nails. Cure for 30 seconds.

3

Place drops of GelColor Grape Escape and Leonardo's Model Color in a silicone mold. Cure for 30 seconds. Cleanse away gel residue with a nail wipe saturated in N.A.S. 99 Cleansing Solution and remove the shapes from the mold.

4

Apply a coat of GelColor Super Gloss Top Coat to nails. Place the half round shapes in the uncured top coat creating a grape bunch pattern. Cure for 30 seconds.

THE FINISHING TOUCH

Apply a coat of GelColor Super Gloss Top Coat and cure for 30 seconds. Remove the gel residue with a nail wipe saturated with N.A.S. 99 Cleansing Solution. Apply ProSpa Nail & Cuticle Oil to the base of each nail and massage in.
