1

Apply a stripe of OPI GEL COLOR Paint the Tinsel Town Red to one side of the nail, and a stripe of My Color Wheel is Spinning to the center of the nail blending the two colors gently with the brush to create an ombre effect. Apply a stripe of Ready, Feté, Go to the opposite side of the nail, gently blending the colors where they meet. Cure for 30 seconds in the OPI LED Lamp.

#### PRO TIP

Repeat step one for additional color coverage.

Refine as needed with a clean-up brush dipped in OPI N.A.S. 99 Cleansing Solution. Flash cure for 5 seconds in the OPI LED Lamp to lock the design in place. Repeat for coverage and cure for 30 seconds in the OPI LED Lamp.
