THE "NAIL ART" STEPS

Begin by prepping nails using our salon pro basics. Shake all GelColor bottles for 30-60 seconds to blend ingredients. Apply one coat of GelColor Super Base Base Coat, then cure in the OPI Star Light for 30 seconds.

1

Apply a thin coat Bare My Soul. Cure for 30 seconds in the OPI Star Light.

2

Apply a thin coat of Cargo All Out to one side of the nail. Cure for 30 seconds. Repeat for coverage.

3

Apply a thin coat of Super Matte Top Coat to the entire nail. Cure for 30 seconds.

4

Dip a dotting tool in Slip Dressed Up and create lines of staggered dots down the left side. Flash cure for 5 seconds if desired.

5

Dip a dotting tool in Penny Loafer Lane and create a line of dots on the middle-right side. Flash cure for 5 seconds if desired.

6

Dip a dotting tool in All Cargo Out and create a line of dots down the far-right side. Cure for 30 seconds.

THE FINISHING TOUCH

Remove gel residue with a nail wipe saturated in N.A.S. 99 Cleansing Solution, then apply Glow Up Nail & Cuticle Oil to the base of each nail and massage in.
