THE "NAIL ART" STEPS

Begin by prepping nails using our salon pro basics. Shake all GelColor bottles for 30-60 seconds to blend ingredients. Apply one coat of GelColor Super Base Base Coat, then cure in the OPI Star Light for 30 seconds.

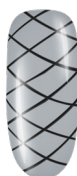

1

Apply one thin coat of Band Tease to the nail. Cure for 30 seconds in the OPI Star Light.

2

Dip a detail brush in Black Onyx and paint thin, evenly spaced, diagonal lines across the nail. Cure for 30 seconds.

3

Repeat this process creating diagonal lines in the opposite direction to create a fishnet pattern. Cure for 30 seconds.

4

Apply Baby Tee-I around the perimeter of the nail. Cure for 30 seconds.

5

Dip a sponging tool or cosmetic sponge in Baggy Jean Baby and sponge it over Baby Tee-I to create a distressed look. Cure for 30 seconds.

6

Dip a detail brush in Alpine Snow and use light strokes to create the fringe around the perimeter of the denim. Cure for 30 seconds.

THE FINISHING TOUCH

Apply a coat of Super Matte Top coat and cure for 30 seconds. Remove gel residue with a nail wipe saturated in N.A.S. 99 Cleansing Solution, then apply Glow Up Nail & Cuticle Oil to the base of each nail and massage in.
