THE "NAIL ART" STEPS

Begin by prepping nails following our lacquer prep basics. Gently roll all lacquer bottles for 30-60 seconds to thoroughly blend ingredients. Apply one coat of Natural Nail Base Coat and let it dry for 1-2 minutes.

1

Apply a thin coat of Penny Loafer Lane. Allow to dry for 1- 2 minutes.

2

Using the brush from the bottle, apply irregular spots of Grunge Queen to the nail. Allow to dry for 1-2 minutes.

3

Place 2-3 drops of Natural Nail Base Coat on a palette and mix in a small drop of Slip Dressed Up to create a sheer shade. Use a detail brush to apply irregular spots that overlaps the originals spots. Allow to Dry for 1-2 minutes. Repeat with Grunge Queen.

4

Dip a dotting tool in Baggy Jean Baby and create a flower by placing 5 dots in a circle. Create additional flowers while staggering the design. Allow to dry 1-2 minutes.

5

Dip a dotting tool in Alpine Snow and place a dot in the center of each flower. Allow to dry.

THE FINISHING TOUCH

Apply a coat of OPI Top Coat and allow to dry, then add Glow Up Nail & Cuticle Oil to the base of each nail and massage in.
